

Szczegółowy harmonogram Otwartej Szkoły Letniej:

	4. June	5. June	6. June	7. June
Block I: 08:30-10:00	The Scientific Approach	Basic Elements of Research	Research Designs: Pre-Experiments and Quasi-Experiments;	Introduction – An ESP Experiment
Block II: 10:30-12:00	Conceptual Foundations of Research	Research Designs: Experiments	Measurement	Studying the Random Guesser with Marbles in a Fish Bowl

	11. June	12. June	13. June	14. June
Block III: 08:30-10:00	A Fundamental Question: Decision Rules	Beyond the Fish Bowl	Review and Conclusion of the ESP Experiment	A Formal Presentation of the Sign Test
Block IV: 10:30-12:00	Picking a Decision Rule: A Statistical Test	A Full Analysis of the Ten-Coin-Toss Model for the ESP Experiment	Some Practice Problems with Solutions and Discussion	Some Descriptive Statistics

Uwaga:

Pierwsze zajęcia odbędą się o podanej godzinie. Pozostałe godziny (oraz daty) zajęć zostaną ustalone z grupą w zależności od potrzeb.
